

## Volunteering at the VFW

Constructive community service is a founding VFW tenet with volunteerism benefiting education, the environment, health sciences and civic projects.

The VFW has a rich tradition associated with community service, working closely with other national organizations such as Boy Scouts of America, America Supports You and America's Promise-The Alliance for Youth. The VFW also partners with the National Rifle Association, U.S. Chamber of Commerce, International Association of Firefighters and the Salvation Army.

Each year VFW and Ladies Auxiliary members donate money and hours to our local Community.

Interested in teaming up with the VFW to give back to your community?
